

LCV TANKS - VOLKSWAGEN

This tank complies with the requirements:

- Of Directive 70/221/EEC at last amended by Directive 2006/20/EC, except for requirements in § 8 of annex I of the Directive and in article 10 of Directive 70/156/EEC and its amendments.
- Of European Regulation 34R02, including supplement 1, except for requirements in §11 of the regulation and in appendix 2 of revised 1958 Agreements. See UTAC test report n° 11/00549.

Our tanks fit on lieu and place of the original tank - Original gauge and accessories can be preserved.
